RIVERSIDE COUNTY DISTRICT ADVISORY COMMISSION
4600 Crestmore Road
JURUPA VALLEY, CA 92509-6858

The Riverside County Regional Park and Open-Space District Advisory Commission will consider applications for funding at its regularly scheduled meetings. Applications may be considered subject to availability of funds derived from the collection of fine monies for violations of Fish and Game laws. The budget is mainly spent on projects involving research, habitat improvement and enhancement of fish and wildlife populations in Riverside County. ***Most funds are used for projects costing up to $1,000***. This allows for a broader use of funds to facilitate smaller projects over a wide range of fish and wildlife efforts.

Anyone working in an appropriate field or discipline is encouraged to apply. Please send your application to:

Please complete the form below **(allow 60 days for processing)** and return it to the District Advisory Commission at the above address. Your request will then be placed on the District Advisory Commission agenda for acceptance or rejection of the request for funds. Applicants are strongly encouraged to attend the Commission meeting to present their request.
