

# CAMPFIRE SAFETY TIPS

- **NEVER** leave fires unattended
- Keep you fire small
- Keep water and shovel nearby
- Only light a fire when an adult is present and in charge to watch the fire
- Keep young children and pets away from the fire
- Make sure your fire is a safe distance from your tent or anything else that can burn
- Use the metal campfire rings. Ground fires are **NOT** permitted
- Please “buy where you burn” – buy wood from the area where you intend to burn it
- Don’t start a fire when it is windy and keep an eye on the weather
- Don’t burn glass, cans, plastics, or garbage
- Don’t leave your fire without putting it completely out
- Don’t play or goof around near a fire
- Be aware that as fire danger becomes greater, campfires may be restricted. Please check to see if there are any fire restrictions in the park where you intend to camp before your visit
- Do not use flammable liquids to start a campfire
